

EX:8

Create storyboards to represent the user flow for a mobile app using Balsamiq

NAME:Praveen .R

Roll No:230701244

AIM:

To create storyboards representing the user flow for a **fitness tracking app** using Balsamiq.

PROCEDURE:

Tool Used:

Balsamiq Mockups (<https://balsamiq.com/>)

Step 1: Define the User Flow

1. Identify Key Screens:

1. Welcome Screen

- Introduction to the app (“Welcome to FITGO”)
- Motivational message to get started
- Navigation options to main features.

2. Home/Activity Feed Screen

- Shows user progress posts
- Distance covered

- Activity image and reaction options (like, comment, share)

3. **Progress & Goals Screen**

- Weekly activity graph
- Summary of distance
- List of fitness goals (e.g., cycling, swimming)

4. **Groups & Challenges Screen**

- Tabs: Active, Challenges, Clubs
- Option to create and join group challenges
- View upcoming challenges

5. **Map/Route Tracking Screen**

- Tabs: Segments, Routes, Solved
- Shows available fitness routes (e.g., Beach, Park, Ooty)
- Current location feature

2. **Map the User Journey:**

Flow Overview:

1. User launches the app and sees the **Welcome screen** .
2. Taps “Start Your Journey” → Navigates to **Home Feed** .
3. From Home, navigates to:
 - **Progress tab** to check personal stats/goals
 - **Groups tab** to join challenges
 - **Map tab** to find nearby workout routes.

Step 2: Create Storyboards Using Balsamiq

1. Install Balsamiq:

Download and install from <https://balsamiq.com/>

2. Create a New Project:

Launch Balsamiq and start a new wireframing project.

3. Add Wireframe Screens:

Add screens for:

- Welcome
- Home Feed
- Progress
- Groups
- Routes/Map

4. Design Each Screen: Use Balsamiq UI elements to replicate:

- Buttons
- Tabs
- Graphs
- User cards
- Navigation bar

5. Organize the Flow:

- Use arrows to show navigation from the Welcome screen to Home → other tabs.
- Make it clear how a user moves between tracking progress, joining challenges, and viewing routes.

Output Storyboards Summary (Based on Your Screens):

1. Welcome Screen

- Motivational welcome message

- Large bold text: “Welcome to FITGO”
- Button/gesture to proceed to main app

2. Home Screen (Activity Feed)

- Profile info and name
- Progress update (e.g., Distance: 12.00)
- Activity image (Cycling)
- Reaction buttons: Like, Comment, Share

3. Progress Screen

- Weekly progress graph (Bell curve)
- Distance tracked this week
- Section to add or view goals

4. Groups Screen

- Tabs: Active / Challenges / Clubs
- Group Challenge banner (e.g., swimming visual)
- “Create a Group Challenge” button
- List of upcoming challenges

5. Routes/Map Screen

- Tabs: Segments / Routes / Solved
- Routes with location names and maps (Beach, Park, Ooty)
- Current location tag
